

Pre-Approval Application for the HIC Waiting Child Program

To view photos of the waiting children, the CCAA requires that you be a client of HIC. In order to fulfill this requirement, we ask that you fill out the Pre-Approval Application. Once you have chosen to move ahead with adopting a child through the HIC program, you will be required to fill out a full HIC application. If you have any question, please contact Janet Jin, the Waiting Child Program Director, at janet@h-i-c.org or (808) 589-2367.
